Dear friends,

Thanks for your heartwarming gift of \$800, which we received today and for which you received no goods or services.

Kids learn a lot through group activities. Our animal program brings a lot of our kids together to collectively feed, exercise and show their animals in junior livestock shows. This enrichment opportunity brings a lot of benefits to them. Thanks for helping us offer programs like this which bless their lives.

Foster's Home for Children

Dear brethren,
You are a creator of new beginnings!

We began the year with our annual visit from the Aggies for Christ who come to campus each year to work with, minister to and provide love and attention to our kids. The Aggies are great role models to our children.

This year we have two Cherokee Home for Children alumni spending the week with the Aggies on campus. Crista and Sophia are two of our college students who are now experiencing the blessings of college life. They are excited to be back on campus to encourage and support the current kids on campus. These two young ladies are well on their way to becoming mindful and productive Christian servants as they begin this new era of their lives. What a joy it is to see God's love come full circle!

We are blessed to be able to see these two young ladies move from those being served to being the ones who serve. Thank you for your part in creating this cycle with your gift of \$300 to our 2020 general fund on 1/9/2020.

For his sake and the children's
Shawn Hull, Executive Director
